Platform FUNdamentals Workshop

Two sessions on Saturday, July 19 2014

Golden Rule School for Dogs, Andover NJ

Whatever your sport, platform training is a fun and successful approach to teaching the basic and advanced skills you and your dog need to master. Attention, recalls & retrieves, front & finishes, go-outs, safe jumping, signals, stays and much more are easily taught, happily learned and beautifully polished with a platform. Join us and learn why Linda's students and their dogs love the platform! Platforms will be provided for working teams to use.
